

OUR EXPERIENCE

- Since 2006, MedPro has been committed to helping healthcare professionals achieve a rewarding career in the U.S.
- MedPro International is the industry leader in the recruitment and placement of foreign-educated healthcare professionals, having placed more foreign-educated healthcare professionals into the U.S. healthcare system than any other U.S. company.

MEDPROU®

- Our team of educators will provide you with the necessary tools to pass the certified nursing assistant course and exam.
- You will receive comprehensive clinical training to ensure your success in your new role in the U.S. healthcare system.
- Our U.S. assimilation training program will ensure you are prepared for life in the U.S. You will gain a solid understanding of U.S. cultural differences, financial budgeting, and the knowledge you will need to make educated, life decisions.
- If you are a foreign-educated registered nurse with a valid PRC, our team will offer you the opportunity to train for the NCLEX RN exam after working in the U.S. for six months.

SIGN-ON BONUS PACKAGE

- Nursing Assistants that sign up for our Emerge program receive a Sign-On Bonus of \$3,000 paid out at the start of their U.S. assignment.

COMPENSATION & BENEFITS

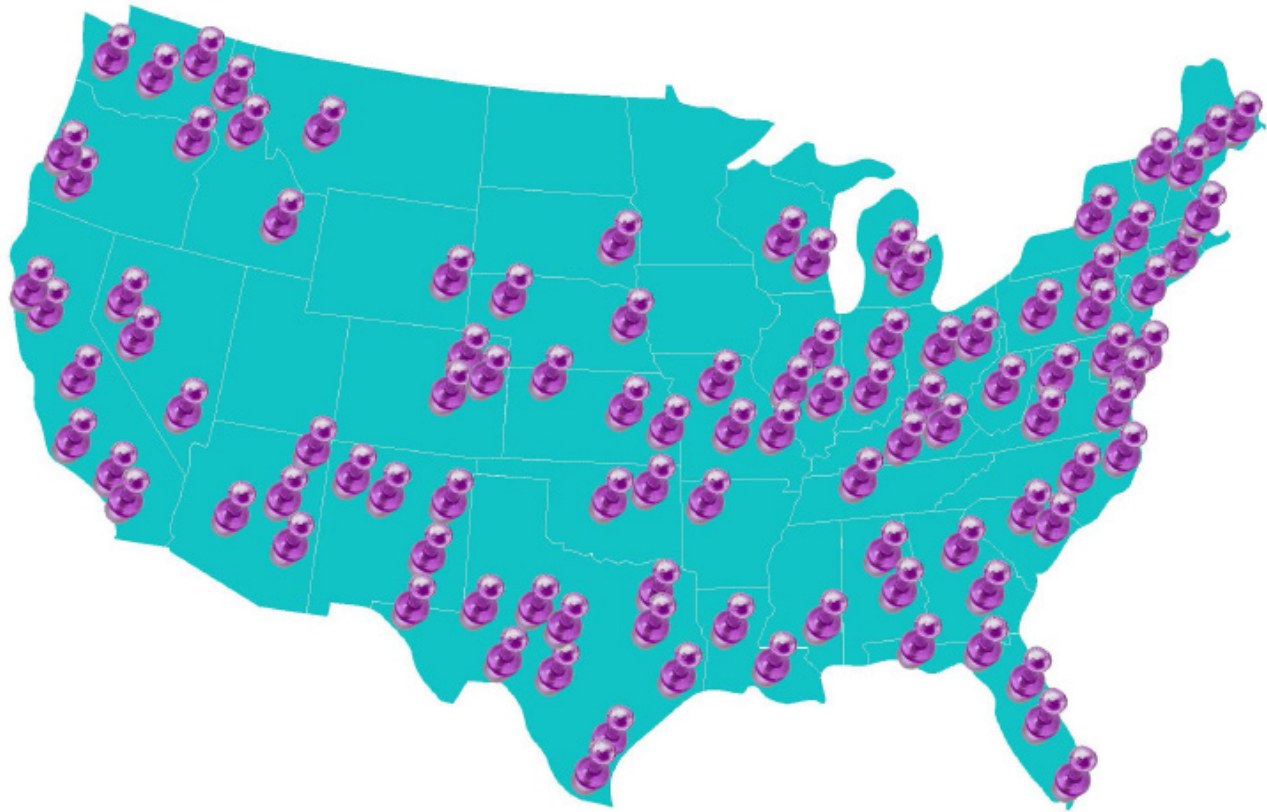

MedPro International is proud to offer the following compensation & benefits package:

- Minimum starting salary of \$20 per hour with \$1 increases at 12, 18, and 30 months.
- Complimentary credential, licensure, and exam fees.
- Green card sponsorship and fees.
- Comprehensive benefits package including health, dental, and vision coverage.
- 401(k) plan with company match.
- Complimentary flight to the U.S. and housing while attending MedProU® Orientation.
- MedPro sponsored return visit to the Philippines after completing 18 months of assignment.

INFINITE JOB OPPORTUNITES

- We offer a multitude of assignment options across the United States, including various geographic and clinical settings.

OUR SUCCESS IS IN THE NUMBERS

- Staffing experts since 1983
- Thousands of foreign-educated healthcare professionals successfully placed
- 800+ MedPro International Healthcare Professionals working in the U.S. today
